Dear Parents/Carers,

Re: Autumn Term DT Afternoons - an invite...

We would like to invite you to join your child for a 'hands on' Design and Technology afternoon. The children will have researched and designed their items in class and will be eager to make their final product with you! Unfortunately, no siblings are able to attend these sessions due to the use of tools and craft materials in line with our health and safety risk assessments. Alternative childcare arrangements will need to be made. We are also only able to accommodate ONE ADULT per child due to the restrictions of class / hall size. Thanks in advance for your continued understanding and support regarding this matter.

All Design and Technology afternoon dates for each class are listed below, along with the time they each start. If you are able to help, please either let your child's class teacher or the office staff know.

Below is a list of dates for each class:
